

ONYX matTM

by IC Urethane Products Inc

Protects...

- * all your tools
- * work surfaces

Prevents...

- * heat damage from curling and straightening irons

The first and only polyurethane counter top mat for professional hairdressers and barbers.

- Keeps the counter cool, with it's heat dissipating pattern and thicker design
- High friction surface keeps tools in place
- A non-porous surface for better hygiene, it is easy to clean and disinfect
